Dear Parents and Carers in 1/2A and 1E

It is a good time to remind all parents and carers of a few important things:

- Students should not be at school before 8.20am,
- Students must have a school hat for lunch times, HPE and Play is the Way,
- Students must present mobile phones to the school office at the beginning of the day and pick up at the end of the day,
- We ask that students do not bring things to school that they treasure or are valuable. Things go missing, get broken or are lost. The school assumes no responsibility for such.

YEAR ONE CURRICULUM

**Literacy**

This term, we are looking at writing a Narrative story with characters and a setting, a complication and a resolution. We will continue to work on our sound knowledge particularly focusing on blends, writing bigger sentences and using reading strategies.

**Numeracy**

This term we will continue to learn numbers up to 100 and how they are made up of tens and ones. We will also add and subtract numbers to 100. We will be learning to tell the time to o’clock and half past. Finally, using our patterning of 5’s, 10’s and 20’s, we will learn how to add coins.

**Science**

In Science, we are learning about the different sources of light, how we use it and it’s importance in our everyday lives. We will also be investigating sound, how it is made and how it travels.

**SOSE/History**

This term we will be discussing The Past. We will be comparing how things have changed over time. We will also be learning how to ask questions to gain information about things we want to find out. It is important to learn how to ask the right kind of question. We will be going on an excursion to “Caboolture Historical Village”

**Religion**

In Religion, we will be learning about what life was like for Jesus as a boy in Jerusalem. We will be reading some Bible stories from The New Testament and reflecting on Jesus’ message.

Yours Sincerely,

Sharon O’Hara and Sue Wilkins
